

# Senior Study

At Newcastle High School we have identified dedicated spaces in the Library to support Senior Study. This ensures students have access to computers and expert staff. Students are allocated to Senior Study during lessons when they don't have a timetabled class. The Senior Study areas are also available to students during breaks and after school on Mondays. Our aim is to support all students to achieve their best.

These spaces are supervised by Ms Kadarusman and Mr Hewitt.

- Ms Kadarusman is an experienced mathematics teacher, who also specialises in study support. She is available Monday to Friday.
- Mr Hewitt can assist students with any tasks that require written responses. He is available on Mondays and Tuesdays.

We also have extra mathematic tutors available at the following times.

- Mr Crichton – P4 on Mondays, Mr Gambrell – MonB P3 and Ms Dinnery – TueB P2.

In addition, the Library is open to senior students on Monday afternoons 3:00 pm to 4:30 pm. Light refreshments available.
