WHY PASSION PROJECTS?

Passion Projects was developed by a team of teachers through the 'Schools of the Future' initiative.

The aim of the project is to increase student and staff engagement through positive relationships and for teachers having the opportunity to teach something they are passionate about.

Passion Project learning must involve Authenticity, Active learning, Assessment, Academic rigour and Adult relationships from outside the school.

Teachers are encouraged to 'leave to learn', ensuring learning experiences are relevant to the real world.

After 13 weeks students participate in an exhibition of learning where families and friends are invited to view the student's exhibition of their learning.

PASSION PROJECTS OF 2021

Passion Projects of 2021 include Analytical Drawing, Art Explorers and Art Masters, Bike Bandits, Bro Speak/Yarning Circle, Garage Band, Healthy & Wellbeing for Girls, Looking Good Feeling Good, Mountain Biking, Photography and Roman Empire.
