## PRINCIPAL'S MESSAGE

### School Captains and Prefect Induction

Students from Years 10 and 11 were invited to apply for our school captain and prefect positions early last term. Students were required to submit a written application and spoke to their peers and teachers about why they would be a successful student leader at Newcastle High School. All staff and students from Years 10 and 11 voted late last term. Students were notified if they were successful in gaining a position on the leadership team and then on Thursday 12 October we held our 2017/18 school captain and prefect induction assembly, where the school captains and vice captains were announced. I would like to congratulate all of the students that applied for a leadership position, it can be quite daunting speaking in front of your peers and all staff, however, all students spoke with confidence and put forward a great case as to why they should be a student leader.

Congratulations to David Fotu and Natalie Cox who were elected as school captains for 2017/18 and James Carter and Anastasia Sager as vice captains. All four students have a history of leadership in the school and I have great confidence that David, Natalie, James and Anastasia will be outstanding role models to the school community. I look forward to working with them to continually improve the school and ensure student voice is part of the decisions made at Newcastle High School.

Congratulations to the following students who have been elected as school prefects for 2017/18:

Year 10	Year 11
Jack Crawford	Camron Alley
Charis Egglestone	Jacqueline Flood
Molly Hersee	Zyleaca Kennedy

# Principal's Message

---

Being elected to the school leadership team, indicates that the school community believes that each person has the personal attributes to work hard and represent the school in a positive manner. Congratulations to all students in our newly elected leadership team, I look forward to working with them over the next twelve months.

## **School-Based Trainee of the year**

Congratulations to Zyleaca Kennedy who was awarded the Novaskill school-based trainee of the year award on Wednesday 11 October at Souths Leagues Club. Zyleaca is completing a Certificate II in Business Services and is completing this in the Novaskill office. I was lucky enough to attend the awards ceremony where they spoke about Zyleaca's commitment to learn and improve, her outstanding initiative and proactive approach in helping others. These attributes came as no surprise to the staff at Newcastle High School and we are extremely proud of Zyleaca's achievement.

## **University of Arts, London visit to Newcastle High School**

On Monday 28 February 2018, we will be hosting the University of Arts London as they use our school to interview potential students from across Australia. The University contacted the school through the NSW Education Standards Authority (NESA) as they have been impressed with the quality of work being produced at Newcastle High School particularly in the Arts. There will be more information about this visit towards the end of the term and the beginning of next term.

## **Good luck Year 12**

On Monday 16 October, our Year 12 cohort will sit their first HSC examination. On behalf of the school community I would like to wish them all the best with the upcoming exams. The last week of Term 3 was action packed with a number of events to signify the end of Year 12's schooling. There are a number of photos in this edition of *The Parkway* that will give you a glimpse of these events. It was great to see so many students and staff working hard across the holidays in preparation for the exams. I would really like to thank all of the staff who teach Year 12 as they go above and beyond to assist students and help them fulfil their potential across all subjects.

Thank you,

**Nathan Towney**

# Year 12 Report

---

Year 12, what an amazing final week we had last term. It commenced with the traditional Newcastle High School 'clap out' where I believe the realisation of the finality of schooling hit home with many. I know for the majority of you, that it almost felt surreal that you reached this remarkable milestone – the completion of thirteen years of school education.

Your sadness quickly turned in to a celebration, with the formal at Merewether Surfhouse. I was astounded at the transformation of school students into glamorous young ladies and incredibly handsome young men. So much so, that not even our Principal recognised some of you. The only element to outdo all your efforts with your outfits, make-up and hair was your behaviour. Your exemplary conduct, sense of togetherness and mutual admiration was something to behold. Something I know that your year advisors Mrs Hines and Mr Hewitt were exceptionally proud of.

I certainly meant it when I said at your graduation assembly that it had been an absolute pleasure and honour to have had the opportunity to be your Deputy Principal. Even if it was for only two terms, they have been two of the most enjoyable and rewarding terms of my teaching career. For that, I say thank you.

On behalf of the Newcastle High School community, I would like to wish you every success in your upcoming Higher School Certificate examinations. The concentrated and focused efforts that you put in during this examination period will certainly pay dividends.

Good luck Year 12 and best wishes!!

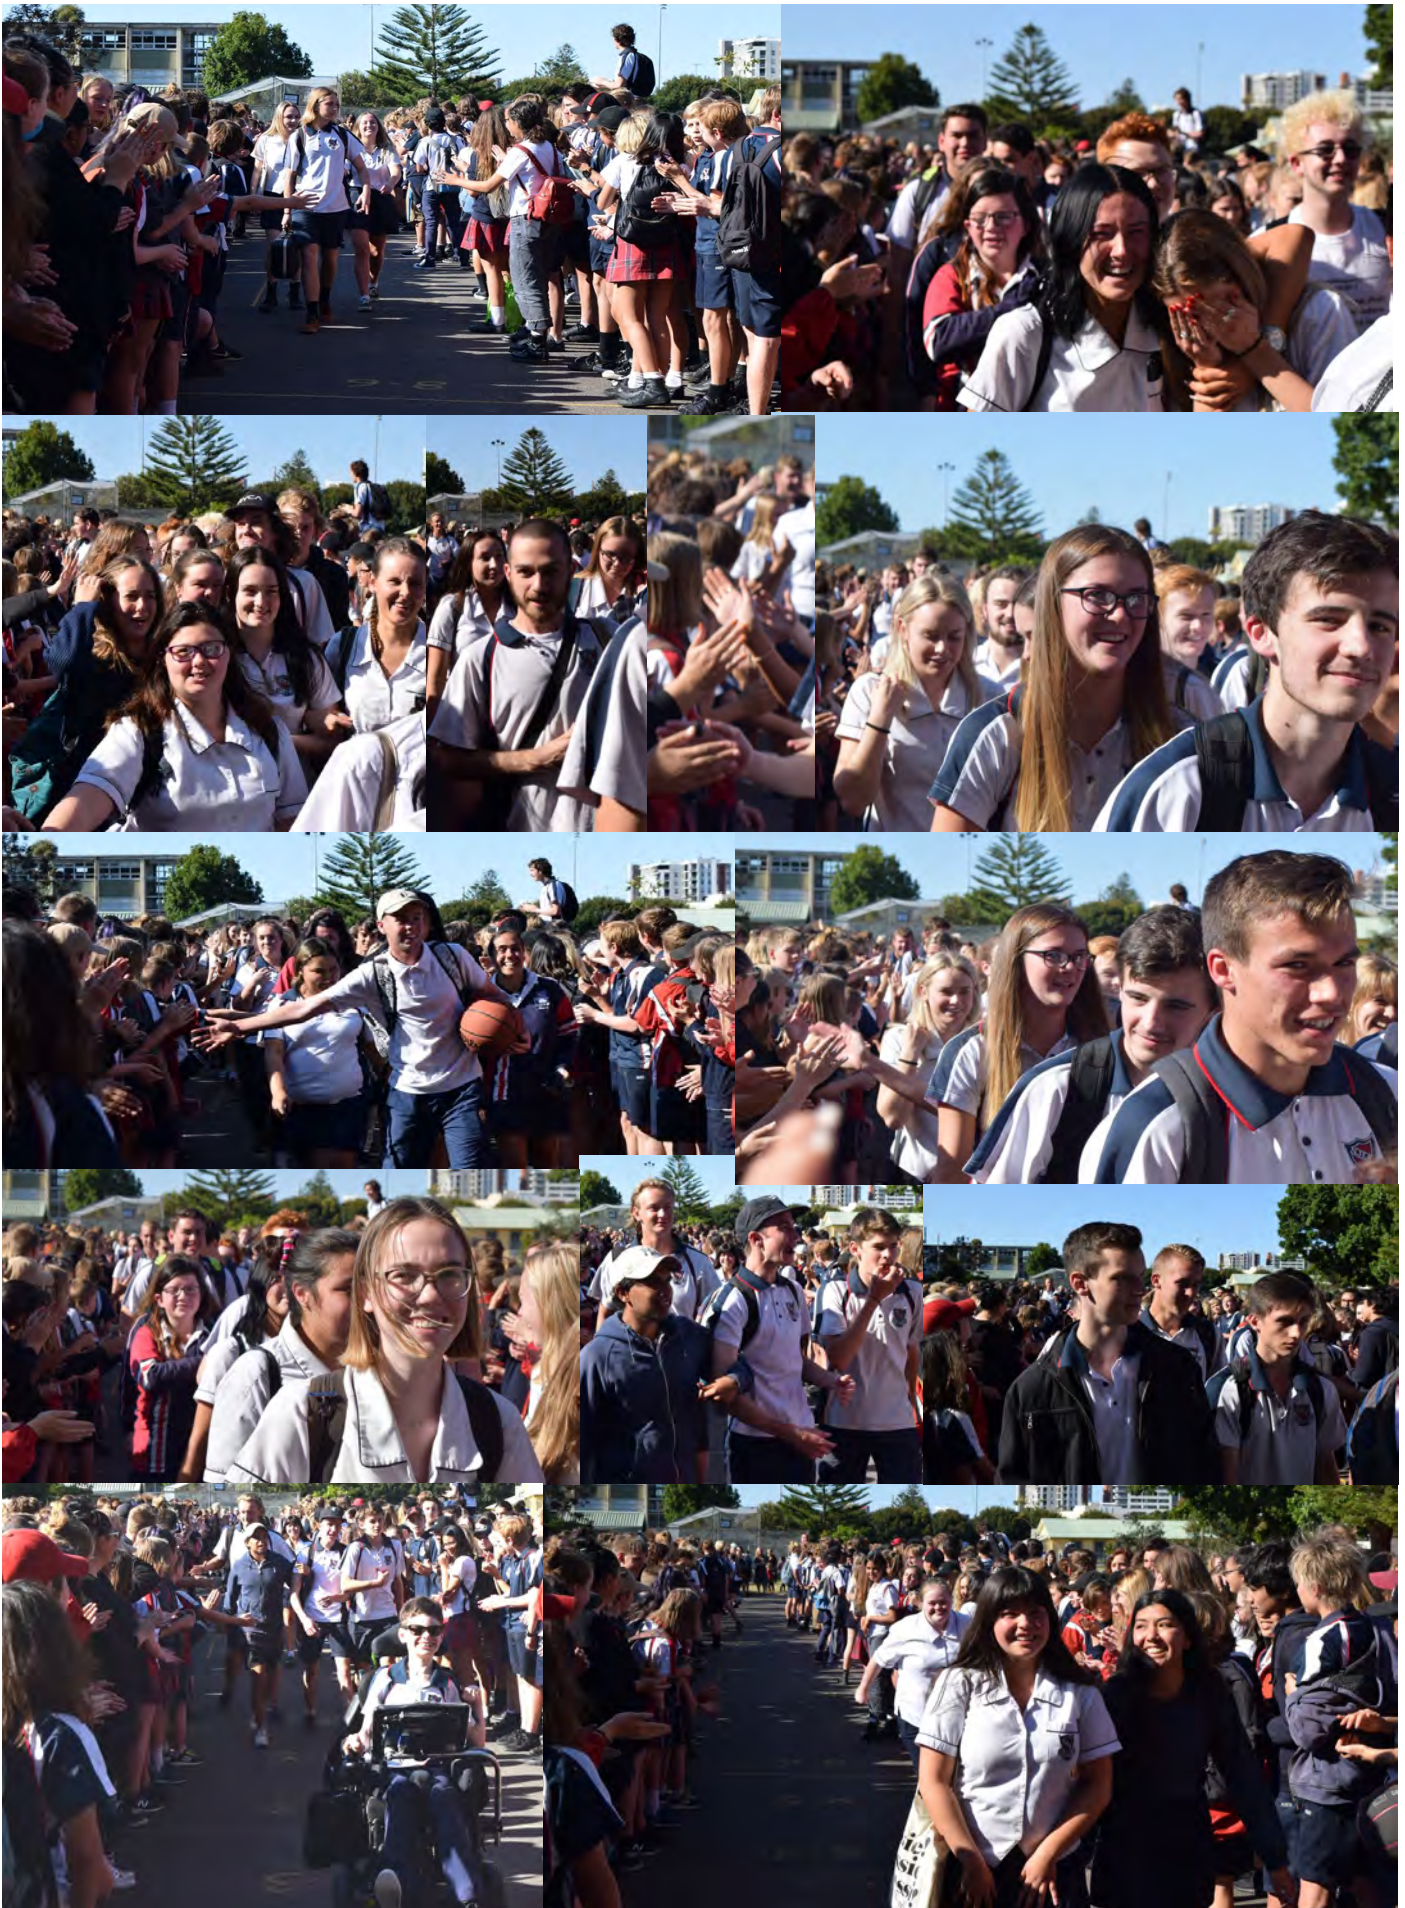

***Mrs Dooley***

Any Year 7 student with missed doses of HPV vaccine can be caught up in 2018.

### ADDITIONALLY:

**Any Year 11 or 12 student** who returned a signed consent card for Meningococcal ACWY vaccine and did not receive this in Term 2 (and who has not received it from their local doctor) can still receive this at the next clinic at their school.

### Please note:

As of July 2017 **any student** who has missed school program vaccines or any childhood vaccines can now receive these vaccines from their local doctor. *For more information please refer to [www.immunise.health.gov.au](http://www.immunise.health.gov.au) and click on "National immunisation program – expansion".*

Don't forget a Record of Vaccination is given to each student for each vaccination. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

## 2018 EDUCATIONAL SCHOLARSHIPS

The Mentor Support Network is receiving applications for 2018 educational scholarships between 21 August and 20 October.

APPLY NOW!

<http://www.mentorsupportnetwork.com.au/>

Each year, for determined students who are experiencing financial hardship, educational scholarships of up to \$3,000 each are offered.

Our educational scholarships are designed to assist eligible students aged 15 years and over to reach their full potential in terms of their individual educational goals. They are granted to students who demonstrate the drive and determination to achieve educational goals, are experiencing a level of hardship and/or financial need, and have a strong support network. Educational scholarships are not necessarily awarded because of academic achievement to date, but rather because of a student's demonstrated desire to achieve educational goals despite adversity.

Educational scholarships are offered for one year and valued at up to \$3000. All payments to the student are made on submission of receipts or invoices.

Applicants are selected for interviews in November with candidates notified of the outcome before the end of the year.

Each February students officially receive their awards at our scholarships presentation ceremony. The event is attended by the students' family, friends and supporters as well as Mentor Support Network partners and members.

**All Newcastle High School student applicants must be supported by Newcastle High School as a Mentor Support Network member organisation.**

See Mrs Hine in the Careers office for further information.
