- The NSW Teachers Federation has requested that P&C Presidents distribute the attached letter to their school community parents & carers. Please see the attached letter under Parents and Citizens tab (Term 2) from NSW Teachers Federation that outlines industrial action that took place on May 4th. That letter was distributed to parents and carers on our email list.
- If you wish to register your details with NHS P&C please do so under the Parents and Citizens tab on NHS website.

- Thanks to Rebecca West for assisting me in this process of enquiry to council about the urgent need for crossings at NHS.
- We have had some positive news regarding installation of crossings with visitors from NCC observing our students upon leaving the school at 3.00pm - a very busy exodus.
- We will keep our community updated as we know more.

- We are seeking fundraising options.
- If anyone in our community has any ideas we would appreciate your input.
- We look forward to increasing our productivity in this space.
