IPAD

When logging in, your username will look like: **first.last1@detnsw**

Part A: Connect to Wireless—Do this once

1) Open the settings app, and select Wi-Fi from the list on the left of the screen

2) Click on the arrow to the right of the detnsw option

3) Down the bottom of the screen, for HTTP proxy, select the Auto option, leave the field blank, and press enter.

4) Enter your username and password then press Join, for example:

   Username: first.last@detnsw

   Password: *******************

5) It will ask you to accept a Certificate, click "Accept" to connect to the wireless

Part B: Connect to the internet—Do this every day

Step 1: Open a web browser

Step 2: Open the site
    http://detnsw.net

Step 3: Log in with the same username and password as for WiFi
