

TRANSPORT CONCESSION CARD REQUEST

To be eligible for a concession card at our school sites, you must be 16 years or over, enrolled at Newcastle High School or Cooks Hill Campus and agree for the school to disclose your personal information to Transport for NSW; and for Transport for NSW to collect your personal information indirectly from the school.

Secondary students aged 16 years and over are entitled to concession travel and are required to travel with their Transport Concession Entitlement Card to show as proof with their Child/Youth Opal card. If you're continuing to Year 12, the concession card will be valid until 31 March the following year unless you enter full-time employment.

Note - The Transport Concession Entitlement Card is issued free of charge. If you need a replacement card issued you will need to obtain the form located online at Transport for NSW or via our school website. Upload and submit your completed application and any supporting documents online via the Concessions application form.

Conditions of use:

- The concession entitlement is not transferrable and may only be used by the student named on the card.
- The card is valid only when showing all holder details, school information and expiry date.
- The card is rendered invalid by alteration, erasure or damage.
- The card must always be carried when you travel on a concession fare. It must be produced when purchasing tickets or as requested by authorised officers or Police. If you fail to produce your card you may be fined.
- Improper use of the card may result in confiscation and forfeiture of future NSW travel entitlements.

Please note: Application processing and delivery of cards may take up to 4 weeks. Hand in your request where possible a month before your birthday.
